JOHN H. INMAN.

SULLY OUT OF FAVOR BECAUSE OF FAILURE.

And the Kings of the Street Look to Inman for Leadership—A Homer That Jay Gould is Prodding Around on the Outside—Starting Developments Expected.

NEW YORK, March 15.—[Special.]—Mr. Sulley's wailing ambition, as manifested in his effort to engineer the Baltimore and Ohio deal, under the auspices of the Terminal company, has brought him into great embarrassment through the farcical miscarriage of his purpose. His fatal mistake was telling the tale out of wheel. In other words, he leaked, and that phase of indiscretion ruines any man's financial standing in Wall street. The upshot of all is that the man of infinite quality to a successful leader here is a scoundrel.

TALENT FOR KEEPING SECRETS.

The money kings will not recognize power in any man who cannot think and act without talking it. It is a great mistake to imagine that the Terminal managers could not have raised the necessary money to buy Mr. Garrett's property, provided the price had been satisfactory to them and provided further that no members of the directory had been notified by Mr. Sulley's imprudence; however, his "Flash in the pan," has seriously balked the scheme, and thrown the entire stock into great confusion. The whole matter now is

ENVELOPED IN DOUBT,

and this uncertainty has made Terminal stock and other securities of the system weak and feverish on change. The demand now is for a deliverer—that is a leader who, by the power of his personality, the inspiration of his character, the strength of his following, the support of his credit, and his reputation, can promptly restore confidence, and in future ably direct the financial policy and material management of the Terminal's affairs.

JOHN INMAN THE MAN.

By common consent the finger of destiny points directly to Mr. John H. Inman. He is undoubtedly all that the exigencies of the case demand. The street is pronounced in its approval of him for the place, and the prominent members of the present Terminal management also desire him. In fact, it is whispered on the inner circles that the reins of government have already virtually been tendered him. It is universally admitted that his acceptance of the charge would greatly benefit the Terminal's affairs and make active buying of the stock, though a wide spread faith in his ability to take the best possible care of the property. He is naturally very reticent on the subject. When I spoke to him today about the report, he simply said:

"The rumor is ahead of the music."

I interpreted that only as a courteous way adopted to evade the subject. If there is no truth in the report, there is at least excellent merit in the idea. He would bring more strength to the credit of the Terminal and better resources of its substantial success and prosperity, than any man who could be put at its head.

DEVELOPMENTS EXPECTED.

Messrs. Miller, Francis & Co., bankers and brokers, who have been prominent dealers in Terminal securities, and identified with several deals, say matters of great importance are going on in Terminal, and that the next ten days will probably develop some startling surprises for the street. I have just learned that the stockholders of the Terminal company, aggregating one hundred and fifty thousand shares of stock, have today signed a petition requesting the resignation of Mr. Sully, and it is now almost certain that the presidency will be tendered Mr. Inman. It is greatly feared, however, that under no circumstances would he accept. Nevertheless Terminal stock rallied two points toward the close today on the mere rumor that he would be made president.

M. J. V.

GOULD, SAGE AND SULLY.

All Meet in Council, But Fall to Fuse Their Issues.

NEW YORK, March 15.—[Special.]—Jay Gould and Alfred Sully met in Russell Sage's office today and the fact formed basis for a batch of Wall street rumors in regard to the Baltimore and Ohio "deal." The common opinion has been that Gould's opposition defeated the scheme and the logical conclusion naturally followed that Mr. Gould was really interested in the negotiations, something was sure to be accomplished.

It was soon noise about the street that negotiations had been renewed, that Mr. Gould was the negotiator, that the conference was being held at Mr. Sage's office, and, finally, of course, that everything had been arranged and the "deal" completed. After the conference was ended Gould said to

THE CONSTITUTION correspondent: "I was down at the Manhattan railway offices today, and naturally went in to Mr. Sage's, where I found Mr. Sully. I believe they were talking about some Iowa Central matters. The conversation turned to the Baltimore and Ohio deal after I went in, but it was of little importance. I am firmly of opinion that the control of the Baltimore and Ohio should remain where it is now. The city and the state have large interests in the company, and would be able to protect the property better than any one else. I have had nothing whatever to do with this deal. I did not oppose it, and the failure was not due to any action on my part, but I have refused to take any part in it. So far as the telegraph business is concerned, the Western Union has no use for the Baltimore and Ohio lines. It is doing very well, and there is no need of loading it down with lines that would not add much to its business. The true policy of the company is to demonstrate that no opposition can make money, and I am willing to wait two years if necessary to prove the fact."

Russell Sage admitted that there had been some talk in regard to the purchase of the Baltimore and Ohio, but he stated with much positiveness that nothing had been done.

A friend of Mr. Sully's remarked that the conference had been brought about principally through the efforts of Mr. Sage, but it had been wholly fruitless. He stated that Mr. Gould refused to entertain any proposal that was based on much more than one-half the price reasonably named in the negotiations.

JAY GOULD SAID TO HAVE AN INTEREST.

NEW YORK, March 15.—It is generally believed on Wall street, that the control of the Baltimore and Ohio has passed into the hands of a syndicate. A story is current, and is repeated by parties, that Jay Gould has a quarter interest, in the syndicate and has paid \$4,000 in cash on agreement. Russell Sage is also named as a member of the syndicate. According to reports, the Western Union takes

the Baltimore and Ohio telegraph line; Dimmire takes the express business for the Adam's express, and the Pennsylvania railroad takes the road. The details are said to have been arranged last night.

MR. BARRETT SEEKS TO BE HAPPY.

BALTIMORE, March 15.—Nearly all interest in the Baltimore and Ohio deal has died out here, and while the impression is general that a deal has been made there is a disposition to wait patiently until it is authoritatively announced. Mr. Garrett was in his office to-day and in a very happy mood, but would say nothing. Three hundred shares of the stock of the Baltimore and Ohio changed hands to-day at the stock exchange, fifteen of which sold for 105 and the balance at 105. The deal has almost entirely ceased to be discussed.

THE DEAD AND WOUNDED.

Over a Hundred Persons Injured—The Death List.

BOSTON, March 15.—It is now known that 114 persons were injured by the railroad accident yesterday. This does not include those killed. The injured at the Massachusetts general hospital are reported by the physicians to-day as being in a comfortable condition. The surgeons are confident that all will recover. Owing to the duplication and mispelling of names, it is now believed that the number of persons killed have been considerably overestimated. Up to noon today, Dr. Draper had signed twenty-one death certificates and Dr. Harris three, making the entire death total, up to twenty-four.

The wreck is a more appalling sight than the recent ruins at White River Junction and Deerfield, and this points strongly to the fact that the train was running at a speed of fully twenty-five miles an hour. The forward car struck the rear end of the engine, and the rear end of the train.

A few questions from the physician caused Jensen to confess everything, and own up that he was not insane. He stated that he had not meant to kill his wife, but that when the fearful deed was done, his only thought was to save himself by playing the insane dodge and possibly he might escape the penalty of hanging. After his conviction and sentence to the penitentiary he determined to keep silent in regard to the possibility he would be transferred to an insane asylum where he would be better treated and from which he might make his escape, but the medicine and diet he had been forced to live on here was too much. Jensen fairly danced and shed tears of joy when a bowl of hot coffee and some warm meat and potatoes were given him. He will be placed in the prison shop tomorrow morning and be made to labor.

A MANIAC SON.

A Young Man Assists and Fatally Injures Father and Mother.

LITTLE ROCK, Ark., March 15.—A family named Lenahan, consisting of the father and mother and four sons, children, three boys and one girl, passed through here yesterday en route for Texas. They camped last night fifteen or twenty miles from this place.

While in town one of the boys, aged twenty-two, suddenly developed symptoms of insanity. He claimed the family intended to kill him and would do so before Texas was reached, and he had been threatening to get away from Little Rock, whence he had come. His father had decided in calming him and persuading him to continue the journey. Early this morning the young man arose, and securing a club attacked his father and mother, while asleep in the wagon. His mother, attempting to rise, was knocked senseless, while the father was struck repeatedly on the head. It is feared their would have been fatal. The maniac next assaulted his brother, who was wounding him. After a desperate struggle they succeeded in wresting the club from him. He then disappeared in the woods. When captured he will be placed in an asylum.

ASSAULT IN A COURT ROOM.

CINCINNATI Young Man Strikes a Prisoner.

CINCINNATI, O., March 15.—This morning when the prisoners were brought into the police court for trial, an athletic young man, who had been standing by the stove for some time, sprang at the line, and struck one of the prisoners a blow that sent him staggering and reeling. He attempted to draw up his mace but was overpowered and by direction of the court was locked up for contempt of court. A vicious shoe knife was found in his pocket and he declared he would have vengeance at the first opportunity. His name was Patrick Sheehan. The prisoner, Teddy Cunningham, was about to be tried for having forcibly carried from the street to the room where he lay last night, a fifteen-year-old sister of Sheehan, as she was returning from church and keeping her a prisoner in his room until Monday morning. Cunningham's trial was postponed.

ATTACHED BY THE SHERIFF.

At Work on a South Carolina Baseball Association.

GREENVILLE, S. C., March 15.—[Special.]—The James Owen O'Connor tragedied company, which attempted to play Cardinal Richelieu, to a fairly good audience here last night, was stage property attached by legal authorities, and now tied up with little prospect of getting away, as it is without funds. It last night gave a full dress rehearsal.

The company has met a deserved fate.

A baseball meeting was held here tonight, an association formed, and steps will be taken to have Greenville take a place with Augusta, Charleston, Wilmington, Columbia and Sumter, in the inter-state league, which will be organized shortly at Sumter.

THE NATIONAL DRILL.

Secretary DeLeon of the national drill committee, says the total number of organizations corresponding at this time with regard to entry and transportation is two hundred and twenty-six. These are divided among thirty-six different states. They comprise one brigade, nine regiments, sixteen battalions and one hundred and forty-five companies of infantry; one battalion, fifteen light batteries and five machine gun, platoons in artillery, six cavalry companies, seven zonars, thirteen corps school cadets, five regiments of bands and three drum corps. An important occasion will be the governors' day, when the chief magistrates of the states represented will review the troops.

Favorable results to the invitations have been received from the governors of Minnesota, Georgia, Ohio, Delaware, Maryland, Louisiana, New Jersey, Iowa, South Carolina, North Carolina and Mississippi.

F. H. ROSS.

DEPARTURE OF MANNING.

The Late Secretary of the Treasury Goes Abroad for Recuperation.

NEW YORK, March 15.—Secretary Daniel Manning said to Europe on the steamer Lorraine this morning. He was accompanied by his wife and daughter. Mrs. Manning said the voyage was taken in the hope that the tonic of the sea air would benefit his health.

He was feeling strong and the cold he caught in Washington had almost entirely left him. His old complaint had not troubled him for six months.

While in Europe he might do little for the New York bank by looking out for suitable places to open agencies or branches, but he would only be in his private capacity and as officer of the bank. Treasurer C. N. Jordan sailed on the same steamer.

Friends of the young man succeeded in persuading him to leave his wife and go to Europe. Accordingly he sailed on the steamer La Gorgone. It is thought that if a separation is effected the father will return.

ALAS, POOR NINA.

The County Clerk Returns the Marriage Certificate to the Justice.

CHICAGO, March 15.—The county clerk does not yet have a certificate of marriage of Nina Van Zandt and Anarchist Spies to Justice Erdelhart, who claimed to have performed the ceremony. The clerk reminds the justice that the alleged marriage, he could not have been at the village of Jefferson, where the justice certifies that the marriage occurred.

The Leather Tailor.

PHILADELPHIA, March 15.—The hearing in the libel suit of A. H. Hoekley, city editor of the Evening Call, against Col. K. K. McClure and Frank McLaughlin, of the "Tint," was postponed yesterday until to-day to permit examination of witnesses for the prosecution.

Counsel for Mr. Hoekley notified the magistrate of a desire to have the case transferred to the court at once without the examination of the missing witness, and Mr. McClure, having yesterday requested the dispensation of the case, the magistrate accordingly sent the matter to a higher tribunal.

A Morocco Factory Suspends.

PHILADELPHIA, March 15.—Work at the morocco factory of E. A. Smith & Co., 929 North Third street, was suspended yesterday, and the building and stock taken possession of by a sheriff's officer. Nearly all hands were thrown out of employment. It was said that an effort would be made to effect an arrangement with the creditors by which the firm could resume business. The morocco trade will not be affected in this city by the failure.

The Russians Displeased at the Executions.

VIENNA, March 15.—Advice from Rustchuk state that the recent executions at that place have exasperated the popular feeling in St. Petersburg far more than the press is permitted to reveal. The clergy are said to be especially aroused, and are strongly agitating the question of interference in Bulgaria.

A Countess Suicides.

PARIS, March 15.—The duchess of Otranto committed suicide today by blowing her brains out with a revolver. She was overwrought with grief at the recent death of her husband.

ENDICOTT AND BAYARD.

THE TWO MEN MOST THOROUGHLY HATED.

The Rumors of Endicott's Resignation Denied—The Model of a Mugwump-His Treatment of the Democrats—The Radical Men Call upon the President and His Lady.

WASHINGTON, March 15.—This morning it was currently reported in Washington that Secretary Endicott had resigned. The rumor was all the more rapidly spread, because almost everybody hoped it was true. About noon, however, there came from the white house and the war department official statements that Secretary Endicott was still in the cabinet and intended to stay there. So far as the war department is concerned, it is going on now just as it went on under Secretary Lincoln, no better and no worse. The same men are in office, and there are about the same methods of doing business. Secretary Endicott, since he came into the cabinet, has appointed two democrats to office. One of these took the place of a republican night watchman, who was removed by death; the other was given a \$1,000 clerkship, from which a republican was promoted to a \$1,200 berth. As a mugwump civil service champion Secretary Endicott is accorded the best in Washington.

HAD TO GIVE UP.

Jansen, the Wife-Murderer, Tired of Playing the Insane Dodge.

CHICAGO, March 15.—Henry Jansen, who was recently sent to Joliet for life from Chicago, for the brutal murder of his wife, has been confined in the crank cell at the prison ever since his arrival, constantly under the watchful eye of a doctor. Jansen stood it for thirteen days. Today he fell upon his knees and begged for something warm to eat, saying: "My blood is so cold. Give me a warm mitten."

A few questions from the physician caused Jansen to confess everything, and own up that he was not insane. He stated that he had not meant to kill his wife, but that when the fearful deed was done, his only thought was to save himself by playing the insane dodge and possibly he might escape the penalty of hanging. After his conviction and sentence to the penitentiary he determined to keep silent in regard to the possibility he would be transferred to an insane asylum where he would be better treated and from which he might make his escape, but the medicine and diet he had been forced to live on here was too much. KILLED THE BAILIFF.

A SENSATIONAL EPISODE IN LAURENS COUNTY.

The Mysterious Escape of a Convict Explained—The Midnight Attack on Old Man Perry—The Wrong Man Receives the Shot—A Reward Offered.

TENNILLE, Ga., March 15.—[Special.]—Mr. M. H. Smith reports the following: Joseph M. Weaver, a young white man, living at Dublin, was tried in court for burglarizing Mr. J. G. Smith's store, and was convicted and sentenced to fifteen years in the chain-gang.

THE RESCUE COMES.

The night before the guards came for him he was furnished with an auger and pistol by friends outside, and got them through his cell window by means of a string. He bore his way out of the cell, and has been at liberty for three weeks. All this time he has been harbored near Dublin by an old man named Hobbs, who fed him and concealed him in his gushouse.

THE FATAL BURGLARY.

On last Friday night Weaver got a man by the name of Tom Tipton to go with him to rob an old man, named Joe Perry, living at Dublin, who was supposed to have \$900 in his house. They broke down his door with a rail and seized the old man, who fought desperately for his freedom. During the scuffle Perry was getting the advantage, when Tipton called upon Weaver to shoot and kill him. This Weaver tried to do, but the old man managed to keep Tipton between him and Weaver, and when the latter shot he struck his pal, Joe Tipton.

TIPTON'S DEAD BODY.

As soon as the shot was fired they both ran out of the house, and Tipton's dead body was found outside the door on Saturday morning. Weaver has been in many scrapes, and every effort is being made to capture him. The sheriff of Laurens county offers a reward of \$50 for his capture.

THE MISSING HUSBAND.

Mrs. Tipton, wife of the man killed, says her husband and Weaver left the house together on the night of the murder.

Weaver was about 21 years old, and weighs about 165 pounds. He is about six feet high and of bold complexion.

JUDGE HINES IN ELBERT.

His Opening Charge Creates Favorable Com-

ment. ELBERT superior court convened yesterday morning. Judge James K. Hines, of the middle circuit presiding. His courteous and considerate manner and commanding presence won universal approval. His courteous but firm manner of preserving order and dispatching the business of the court meets with the hearty approval of the bar, litigants and jurors.

The grand jury is composed of a number of our best and most conservative citizens, with Dr. N. G. Long as foreman.

Solicitor General Elbert is at his post, discharging the duties of the office in his usual pleasant and prompt manner. Among the visiting attorneys are Messrs. A. G. McCurry and Ira C. Van Duzer, of Hartwell; A. N. King, of Gainesville; George D. Thomas, of Athens; F. H. Colley, M. P. Reese and D. M. DuBose, of Washington. The attendance on the court is not very large, and at the present rate of dispatching business the court will probably adjourn before the end of the week.

DECATOR'S SENSATION.

A Runaway Horse Makes the Boys Stand Around.

DECATUR, Ga., March 15.—[Special.]—The unusually quiet and orderly portion of our town is the scene of a great commotion, which was enveloped in mystery this evening by a horse running wild with a colored boy named Brooks. The horse was hatched to a wagon, and started from near the residence of Hon. C. M. Candler, on Candler street, and ran down the street in the direction of the depot. At the railroad crossing the wagon struck a lamp post, broke the post in two and shattered the lamp in pieces, threw the boy out of the wagon and dashed him to the ground.

The horse kept on in the direction of the late Judge Junius Hilliard's residence. Near the Sunday-school tabernacle he decided to try the railroad track, and getting on it, he started back towards the depot. When he reached the depot he had lost most of the wagon and harness, and he made for the boys at the depot, who seemed to be enjoying the fun, and, after running them in the depot, he coaled down and allowed his driver—who was most hardly taken charge of him and carry him back home.

FELL THROUGH THE TREESTLE.

Where He Stays Three Hours up to His Neck in Mud.

SPARTA, Ga., March 15.—[Special.]—A day or two ago Mr. Pinkney Harris, of Colvertown, was walking home from Sparta and taking his way along the Macon and Augusta railroad, when it became necessary for him to cross the open space between the two-mile branch. While making his way across this bridge it fell through, it fell forward, he fell into the cressies and into the mud and water beneath, a distance of exactly thirty-five feet, and lay there for upwards of three hours, with nothing but his head out of the water, and it very cold, before assistance was rendered him. He was at last found there, perfectly senseless, with one rib fractured, several ribs broken and an internal injury, from which he is expected to die in a day or two.

Taking a Trip Over the Road.

ATHENS, Ga., March 15.—[Special.]—Major Morrison, chief engineer of the Georgia, Carolina and Northern railroad, has left for a trip along the Carolinas section of the road. He thinks that he will make a thorough engineering corps in the field between Athens and Atlanta, as there is a great deal of work to be done. He wants to get the line located as soon as possible. He says this will not take exceeding three months.

Base Ball at Emory.

OXFORD, Ga., March 15.—[Special.]—The students have organized a base ball association to be known as the "Emory Base Ball Association." The officers elect are Mr. Drew P. Lawrence, president; Mr. Julian Bass, secretary and treasurer; and Messrs. Frank Turner, J. L. Key, Will Griffin, Basil Wise, Walter Brannon and Will Baldwin, board of directors. The trustees of the college enacted a law last commencement, prohibiting the students from playing match games away from Emory.

EXTENDING THE LIMITS.

Macon.

MACON, Ga., March 15.—[Special.]—The recent effort of some of Macon's progressive citizens to inaugurate a boom in the city has brought to the front the old question of extending the city limits. There is no question that such a movement, properly engineered, will meet with the approbation of a large majority of outsiders and indwellers alike.

It is estimated that the extension of the limit for half a mile in every direction, except toward the swamps, would add twelve to fifteen thousand to the city's population. At least a thousand homes would be brought into the city, and a large number of small business enterprises, besides several of large dimensions.

The only apparent drawback on the part of the outsiders is the question of whether or not the new citizens would be called upon to share the burden of taxation on the bonded debt of the city. Even were this an insurmountable difficulty, it would be easily overcome.

A prominent gentleman said this morning, that the matter ought to be agitated until the people are satisfied with the urgent necessities of the case, and then an application for extension would be easily obtained.

Some who are in a position to competently review the matter in all its bearings, are in doubt as to whether the increase of revenue obtained by the extension will be adequate to the requirements of street improvements, fire and water supply and police protection.

The Macon people are told that their schools are entirely unprotected. When a fire breaks out it burns until it burns out. Water is obtained from wells, which, in the nature of things, must deteriorate as the population grows more crowded, as it is doing every day. The lack of police protection leads to many disagreeable features, and the whole system is very unsatisfactory.

THE SUPREME COURT.

DECISIONS RENDERED MONDAY,

MARCH 14, 1887.

Hon. Logan E. Blackley, Chief Justice, and Hons. Samuel Hall and M. H. Blandford, Associate Justices—Reported by J. W. Lumpkin, Reporter for the Constitution.

French, Richards & Co. vs. Robinson, Attorneys from Fulton Partnership. Title, Tindall and Purchaser. Actions. (Before Judge Richard H. Clark.)

My little son, aged eight years, has been afflicted with eczema of the scalp, and at times a great portion of the body, ever since he was two years old. It began with a red, scaly, papular spot, which became covered with scabs and sores, causing intense itching and distress, leaving his hair bald and discolored. The disease was very severe, and was like a piece of leprosy. Gradually the skin was cured, and was no longer a source of trouble.

Richard, J.—A firm, through their attorneys in fact, sold a lot of land and gave a bond for taxes thereto, signed with their firm name. The purchaser, having complied with the conditions of the bond, the vendor made and delivered to him a deed conveying the premises, and the vendor retained a small portion of the lot, the lot being sold as was, and was destroyed, until he had a small patch left at the back corner, which he sold to the purchaser. Actions. (Before Judge Richard H. Clark.)

The question is, whether the vendor is liable for the loss of his land.

Richard, J.—The vendor is liable for the loss of his land, and the purchaser is liable for the loss of his land.

French, Richards & Co. vs. Peabody, Attorneys from Boston. Title, Tindall and Purchaser. Actions. (Before Judge Richard H. Clark.)

Peabody, Mass.—I have seen Mr. McKay's bill which was filed against me, and I have been advised that it is well founded.

French, Richards & Co. vs. Peabody, Attorneys from Boston. Title, Tindall and Purchaser. Actions. (Before Judge Richard H. Clark.)

Peabody, Mass.—I have seen Mr. McKay's bill which was filed against me, and I have been advised that it is well founded.

"DID ARMOUR MILK THE STANDARD PEOPLE?" ASKS THE BUFFALO EXPRESS. NO, HE DID NOT; BUT HE HAS COME TO AN UNDERSTANDING WITH THEM BY WHICH HE WILL GEESE THEM WITH ALL THE LARD THEY WANT.

THE NEGROES OF BALDWIN COUNTY ARE AFRAID OF THE Voodoo Doctor, WHOSE POISON HAS LAID OUT THE HARRIS FAMILY. MEN WHO HAVE NEVER QUAILLED BEFORE A SHOTGUN AT A CHICKEN ROOST, TURN AROUND AND RUN WHEN THE VODOO APPEARS.

CONGRESSMAN BARNES KNOWS A GOOD THING WHEN HE SEES IT, AND IT IS NOT TO BE WONDERED AT THAT HE SHOULD HAVE FALLEN IN LOVE WITH ATLANTA. ATLANTA IS THE BIGGEST CITY, AND BARNES IS THE BIGGEST PUBLIC MAN, IN GEORGIA.

NORTH CAROLINA WAS VISITED BY SEVERAL FIRES YESTERDAY, ONE OF WHICH RESULTED FROM INCENDIARISM BY NEGROES. THE NEGROES REPRESENTED THE ARREST OF ONE OF THEIR RACE WHO WAS HELD FOR A GRAVE CRIME, AND THREATENED TO PERPETRATE ARSON.

A HEADLINE IN THE CONSTITUTION OF YESTERDAY READ: "HONEST JOHN SHERMAN." IT IS THUS THAT THE TYPES MANGLED "HON. JOHN SHERMAN," WHOSE PART IN THE LOUISIANA STEAL OF 1876 FORBIDS THE TOO-LIBERAL USE OF THE TITLE AS IT APPEARED.

LAURENS COUNTY HAS SEVERAL BAILIFFS, BUT ONE OF THE NUMBER, NAMED TIPTON, HAS MADE A NAME FOR HIMSELF. HE JOINED IN A MIDNIGHT RAID ON A MONEYED CITIZEN, AND GOT THE WORST OF THE ENCOUNTER. AS A RESULT, THE SPRING VERDUE WILL BLOOM OVER HIS GRAVE.

THE CRUSADE AGAINST THE HIGH HAT AT THE THEATER SEEKS TO BE A FRUITLESS ONE. THE HIGH HAT REFUSES TO GO. ONLY IN ONE OR TWO INSTANCES HAS THERE BEEN A NOTICEABLE ABSENCE OF THE MUCH COMPLAINED AGAINST HEAD-DRESSING, BUT AFTER ONE NIGHT THE USUAL FASHION WAS AGAIN ESTABLISHED, AND, AS A GENERAL THING, THE HATS GROW HIGHER. THE WOMEN WILL HAVE THEIR WAY.

MAHONE WILL NOT LEAVE VIRGINIA AS REPORTED, TO SEEK HIS FORTUNE IN THE WEST. HE WILL STILL LINGER IN VIRGINIA POLITICS IN HOPES OF OVERTHROWING THE STATE AGAIN. HE THINKS THAT THE REPUBLICANS HAVE A GOOD OPPORTUNITY OF CAPTURING THE NEXT ELECTORAL VOTE OF THE STATE AND OF ELECTING A MAJORITY OF THE NEXT LEGISLATURE, WHICH IS TO CHOOSE RIDDLERBERGER'S SUCCESSOR. THIS BEAUTIFUL AIR CASTLE VERIFIES THE REPORT THAT EX-SENATOR MAHONE IS AN INTENSELY SANGUINE POLITICIAN. HOWEVER, IT PROMISES THAT VIRGINIA POLITICS WILL BE QUITE LIVELY FOR THE NEXT TWO YEARS.

REALLY RAILROAD TRAVELING IS BECOMING ONE OF THE GREAT DANGERS OF THE AGE. THE NEW ENGLAND RAILROADS PARTICULARLY HAVE FARED BADLY DURING THE PAST SIX WEEKS, OVER FIFTY LIVES HAVING BEEN LOST ON THEM DURING THAT TIME. THE HORRIBLE ACCIDENT ON THE BOSTON AND PROVIDENCE RAILROAD, IN WHICH OVER THIRTY LIVES WERE LOST AND MORE THAN A HUNDRED PERSONS WERE INJURED, IS ONE OF THE MOST APPALLING WHICH EVER HAPPENED IN THIS COUNTRY. THE BLAME IS HARD TO PLACE IN SUCH INCIDENTS, BUT SOMETHING IS WRONG AND THE REMEDY MUST BE FOUND. THE RECENT VERMONT DISASTER WAS PROVEN TO BE DUE TO A BROKEN RAIL, AND THE RAILROAD WAS FREED FROM BLAME. WHETHER OR NOT THE PROVIDENCE AND BOSTON ROAD, ON WHICH MONDAY'S ACCIDENT HAPPENED, WILL GET OFF AS EASILY REMAINS TO BE SHOWN. IF ITS NEGLIGENCE CAUSED THE ACCIDENT, IT WILL BE MADE TO PAY HEAVILY FOR IT.

THE REPUBLICANS ARE BEGINNING TO REALIZE THAT THE POLICY SOUGHT TO BE ESTABLISHED BY THE REPUBLICAN MAJORITY IN THE SENATE, IN REJECTING THE NOMINATION OF MATTHEWS, IS HAVING ITS EFFECT WITH THE COLORED PEOPLE. AT THE SAME TIME THE NEGRO LEADERS, PARTICULARLY OF THE NORTH, ARE HAVING THEIR EYES OPENED TO THE TRUE ATTITUDE OF THE REPUBLICAN PARTY TOWARD THE COLORED MAN. THE NEW YORK FREEMAN, THE LEADING NEGRO ORGAN OF THE NORTH, SAYS OF THE NOMINATION OF TROTTER:

"WE ARE GOING TO MAKE KING KONG AN APPRENTICE, PRESIDENT CLEVELAND HAS GOT THE SAME OTHER FORCIBLE EVIDENCE OF HIS SINISTER REGARD AND HONEST INTEREST IN US AS CO-EQUAL FOLLOWERS. HE HAS DRIVEN ANOTHER SPIKE INTO THE COULIF OF PARTISAN NARROWS AND BIGOTRY; HE HAS ANOTHER EFFECTIVE BLOW AT THE HERESY PREACHED BY MR. CLEVELAND, AND RE-ECHOED BY A HOST OF CREDIBLE SACHETS. THE COLORED PEOPLE ARE CONCERNED, THE REPUBLICAN PARTY IS THE SHIP, AND ALL ELSE IS THE OCEAN. IT DOES NOT LOOK THAT WAY TO DAY, AND THE END IS NOT."

THAT THE WAY OF THE TRANSGRESSOR IS HARD RECEIVES FRESH ILLUMINATION IN THE CASE OF STATE TREASURER VINCENT, OF ALABAMA. WHEN ELECTED TO THAT OFFICE HE WAS A HAUL FELLOW, WELL MET. FROM HANDLING HUNDREDS OF THOUSANDS OF DOLLARS, HE GREW TO THINK THAT HE WAS RICH, AND SPENT DIAMONDS, DRANK FINE WINES, TOOK DINNER, AND BRAVELY STOOD BY THE LOSING CARD AT THE TABLE. WHEN THE CRASH CAME, IT FOUND VINCENT RUINED AND BESIEGED. HIS ESCAPE WAS THE SENSATION OF THE STATE. THE STORY TOLD BY HIMSELF OF HIS WANDERINGS AND HIS HARDSHIPS IS PITIFUL.

THE TROUBLE MAY COME, HOWEVER, DURING THE LATTER PART OF THE MONTH. THIS WAS THE CASE LAST YEAR. DURING THE CLOSING TWELVE DAYS OF LAST MARCH WE HAD SEVERE THUNDER STORMS IN CANADA, A HEAVY SNOW STORM AT ST. PAUL, A TERRIFIC ELECTRIC STORM IN ILLINOIS, A SEVERE SNOW STORM ON THE ATLANTIC COAST; A SNOW

Irish Landlords and Tenants.

General Buller was sent by the British government to Ireland with exceptional powers. He was authorized to stand by the landlords and use the bayonet whenever he deemed it necessary.

To the surprise of everybody, the general has acted with great moderation. The other day he went before the royal commissioners and swore that "the law in his district was on the side of the landlord; that it would be a serious matter with their grievances unredressed to attempt to suppress by force the tenants' right to openly associate for the protection of their interests. A majority of the tenants struggled to pay the rents, and, when they could, did pay; but in many cases the rents were such as the tenants could not pay. There never would be peace in Ireland until there had been established a court having strong coercive power over bad landlords and protective powers over poor tenants."

"THIS IS ENOUGH. AGAINST THE BLUNT TESTIMONY OF THIS HONEST SOLDIER THEORIES WILL FIND IT USELESS TO OPPOSE THEIR RANT ABOUT REBELLIOUS IRELAND. GENERAL BULLER DRAWS A PITCHFORK PICTURE OF A DOWN-TROdden PEOPLE. IT IS WELL FOR THE CAUSE OF HOME-RULE THAT HE WAS SENT TO IRELAND."

THE BOSTON GLOBE HAS AN EDITORIAL HEADED, "A CHANCE FOR JOURNALISTS." THIS HAS NO REFERENCE WHATSOEVER TO NEWSPAPER MEN.

SPRING OCCASIONALLY HAS A HIATUS THAT IS NEITHER PREDICTED NOR PROVIDED FOR BY THE WEATHER BUREAU.

THESE ARE GREAT EXCITEMENTS IN MULHENBURY COUNTY, KENTUCKY. IN 1867, THAT COUNTY SUBSCRIBED \$750,000 TO THE ELIZABETHAN AND PACIFIC RAILROAD COMPANY. THE ROAD WAS NOT BUILT UNTIL 1872 AND THE COUNTY REPUDIATED THE BONDS WHICH HAD BEEN ISSUED TO MEET THE SUBSCRIPTION. A COMPROMISE WAS EFFECTED AND THERE WAS A NEW ISSUE OF BONDS AT FIFTY CENTS ON THE DOLLAR. WHEN THE INTEREST FELL DUE THE COUNTY AGAIN REFUSED TO PAY. A JUDGMENT WAS SECURED AND THEN VARIOUS TACTICS WERE RESORTED TO FOR THE PURPOSE OF OUTWITTING THE HOLDERS OF THE BONDS. MAGISTRATES REFUSED TO LEVY TAX TO MEET THE INTEREST. THE COUNTY JUDGE HAS LEVIED THE TAX, HOWEVER, AND THE TAX PAYERS HAVE ADOPTED THE SHOTGUN POLICY. THE DEBT OWED AMOUNTS TO MORE THAN THE ENTIRE PROPERTY OF THE COUNTY, AND EVERY MAN IN THE COUNTY WOULD BE BOUNCED OUT OF HOUSE AND HOME IF THE BONDS SHOULD BE PAID. THE PEOPLE HAVE ORGANIZED INTO A TAX PAYERS LEAGUE, THREE HUNDRED STRONG, AND ARE ENCAMPED AT THE COUNTY SEAT AND ARE ARMED AND READY TO RESIST BY FORCE ANY EFFORT TO COLLECT THE TAX.

IN WEST END THE FIRST MOCKING BIRD WAS HEARD ON THE 5TH OF THE PRESENT MONTH. LAST SEASON THE CONCERT BEGAN ON THE 14TH OF MARCH.

THE NEW YORK SUN CLAIMS FOR PHILADELPHIA THE DISTINCTION OF HAVING THE UGLIEST WORK OF PRETENTIOUS ARCHITECTURE IN THE WHOLE WORLD. THIS GREAT WORK, HOWEVER, DOESN'T INTERFERE WITH THE SPIRITS AND APPETITES OF THE MEMBERS OF THE CLOVER CLUB.

MIND READER BISHOP CANNOT REST MINDS WHILE THEY ARE THOUSANDS MILES DISTANT. IF HE COULD HAVE DONE SO, IT WOULD HAVE SAVED HIM SOME TELEGRAPH TOLLS THE OTHER DAY. BUT TO BEGIN AT THE BEGINNING, HELEN MARK OF BOSTON, WAS THE DAUGHTER OF THE MILLIONAIRE WHO OWNS THE GREAT TUBE WORKS. SHE WAS BEAUTIFUL. SHE MARRIED A BAKER NAMED LOUD, WHO PROVED TO BE INSANELY JEALOUS, SO MUCH SO THAT HE WOULD LOCK UP HIS WIFE FOR EVEN SPEAKING TO A MALE ACQUAINTANCE. ONE DAY HE LOCKED HER IN A BATHROOM FOR THIRTY-SIX HOURS. THEN SHE GOT A DIVORCE. FOUR MONTHS AGO THE FAIR CREATURE AGAIN PUT HER NECK INTO THE CANNIBAL NOOSE BY MARRYING BISHOP, THE MIND READER. AFTER A BRIEF HONEYMOON THE MIND READER LEFT HIS BOSTON AND PROCEEDED TO FILL HIS ENGAGEMENTS IN DISTANT CITIES. MR. BISHOP WHILE IN NEW YORK BECAME QUITE SICK AND UNDER THE WEAKENING INFLUENCE OF A SURGICAL OPERATION THOUGHT HIS TIME HAD COME. TELEGRAMS TO HIS WIFE IN BOSTON, ASKING HER TO COME TO NEW YORK, BROUGHT NO RESPONSE. MR. BISHOP BECAME ALARMED. AT LAST HE LOCATED HIS WIFE IN DETROIT. SHE WROTE TO HIM FROM THERE BUT THERE WAS A GREAT MYSTERY ABOUT THE LETTERS. SHE SEEMED TO BE WRITING UNDER RESTRAINT. A TELEGRAM FROM HER READ: "HAVE MUCH TO REVEAL. WILL YOU MEET ME AT ALBANY IF I TELEGRAPH WHEN I REACH THERE?" TO THAT MR. BISHOP REPLIED.

TO A CORRESPONDENT.

MR. JOSEPH A. DANIEL, A SUBSCRIBER TO THE CONSTITUTION, WRITES FROM LEESBURG, ALA., AS FOLLOWS. FOR THE SAKE OF CLEARNESS, WE TAKE THE LIBERTY OF NUMBERING HIS QUESTIONS:

EDITOR CONSTITUTION: YOU WILL PLEASE OBLIGE ME BY ANSWERING THE FOLLOWING QUESTIONS: (1) WHAT ARE YOUR REASONS FOR OPPOSING A REDUCTION OF THE TARIFF? DO YOU THINK A REDUCTION WOULD LESSEN THE PRESENT PRICE OF LABOR? (2) DO YOU CONSIDER THAT THE TARIFF IS A POLITICAL QUESTION? (3) DO YOU NOT THINK A REDUCTION ON ALL ARTICLES, SUCH AS POOR-PER-USE, AND AN INCREASE OF THE TARIFF ON ALL ARTICLES, WOULD BE BEST?

AS THE CONSTITUTION DOES NOT OPPOSE A JUST AND REASONABLE REDUCTION OF THE TARIFF, THIS QUESTION OF ITS CORRESPONDENT NEEDS NO ANSWER. THE CONSTITUTION STANDS ON THE DEMOCRATIC PLATFORM WHICH MR. CLEVELAND INDORSED, AND ON WHICH HE WAS ELECTED, NAMELY: THAT EVERY SCHEME FOR THE REVISION AND REDUCTION OF THE TARIFF SHALL TAKE INTO CONSIDERATION THE DIFFERENCE IN THE WAGE PAID TO AMERICAN AND EUROPEAN LABORERS. THIS IS THE ESSENCE OF PROTECTION AND TO THIS EXTENT THE CONSTITUTION IS FOR PROTECTION. THIS CLAUSE OF THE DEMOCRATIC PLATFORM, WHICH IS HONORABLE, IS TO ENSURE THAT THE TARIFF SHALL NOT BE SEVERELY CRITICIZED BY THOSE THROUGHOUT THE COUNTRY. IF YOU WANT TO PROTECT YOUR HUSBAND IT IS BETTER FOR YOU TO COME TO NEW YORK IMMEDIATELY. OTHERWISE I WILL GIVE YOU AND THE WORLD JUST GROUNDS FOR BELIEVING THAT YOU HAVE DISREGARDED YOUR MARSHAL'S DUTY. YOUR LETTERS TO THE CONSTITUTION ANSWER MY COMMUNICATIONS DESERVE THE severest CENSURE. IMPOSSIBLE FOR ME TO COME TO ALBANY TO DEFEND YOU. MY MOTHER WILL RECEIVE YOU AT HER SERVICE. TELL HER ME IMMEDIATELY OF YOUR INTENTIONS.

WASHINGTON IRVING BISHOP.

NOTHING FURTHER IS KNOWN ABOUT THE MATTER.

MRS. ELIZABETH T. BELL VERY PROPERLY OBJECTS TO THE INACCURATE ACCOUNTS OF HER SUIT AGAINST THE ESTATE OF THE HON. CHARLES J. JENKINS WHICH HAVE BEEN PUBLISHED IN THE VARIOUS NEWSPAPERS. WHEN SHE CASES A HEARING IN THE COURTS, BOTH SIDES WILL DOUBTLESS BE GIVEN TO THE PUBLIC. IN LAWSUITS WHERE IMPORTANT INTERESTS ARE AT STAKE, IT IS MANIFESTLY UNJUST TO PUBLISH EX parte STATEMENTS, OR CARELESSLY SUPPORTED REPORTS.

THE NEW YORK TELEGRAM PRINTS A CARTOON REPRESENTING BECHER'S MANTLE AND THE CONTEST NOW GOING ON FOR POSSESSION OF THAT GARMENT. THE BONY FINGERS OF DEATH ARE HANDING DOWN THE MANTLE AND UNDER IT, REACHING UP WITH EAGER HANDS AND ANXIOUS FACES, ARE DR. TALMAGE, REV. JOSEPH COOK, REV. SAM JONES AND REV. SAM SMALL. THE CRUEL FEATURE OF THE CARTOON IS THAT THE ENTIRE QUARTET COULD GET LOST IN THE MANTLE. UNDERNEATH THE CUT THE TELEGRAM PRINTS THESE WORDS: "TOO BIG FOR THEM."

MAX LEVENTHAL, A POLISH JEW, LIVED IN A NEW YORK TENEMENT HOUSE WITH HIS SECOND WIFE. THERE WERE TWO SETS OF CHILDREN IN THE HOUSE. THE STEP MOTHER AND THE STEP CHILDREN DID NOT GET ON WELL TOGETHER AND THEY WERE FREQUENTLY BEATEN ON ACCOUNT OF COMPLAINTS MADE TO THE HUSBAND. SUNDAY A GROWN SON OF OLD MAN LEVENTHAL PROTESTED AGAINST UNJUST ABUSE OF ONE OF HIS SISTERS. THE FATHER STARTED TOWARD THE SON WHO QUICKLY DREW A REVOLVER AND FIRED, STRIKING THE OLD MAN IN THE NECK. THE BLOOD SPURRED IN A GREAT, DARK STREAM AND THE OLD MAN STAGGERED INTO THE ROOM AGAIN AND THE SON WENT TO MEET HIM. THEY EMBRACED EACH OTHER TENDERLY, AND THE SON SAID: "NOW, DAD, YOU SEE WE MUST BOTH DIE, AND ALL BECAUSE OF YOUR WIFE." THEN THEY KILLED EACH OTHER. THE OLD MAN SUCKED UPON THE FLOOR. THE SON TOOK HIM AGAIN AT HIS OWN HEAD, FELL AND DIED. THE FATHER, A TALL, A FEW FEET STRUGGLED IN A POOL OF HIS OWN BLOOD, GRAPED AND DIED. THE MURDERED FATHER AND SUICIDE SON LYED DEAD A FEW FEET APART.

WE DO NOT REGARD TOBACCO AND WHISKY AS NECESSARIES, BUT THE TAX LEVIED ON THEM IS A WAR TAX, A DIRECT TAX, AN UNNECESSARY TAX, AND IT FALLS DIRECTLY ON A CLASS OF PEOPLE LESSABLE TO BEAR IT THAN ANY OTHER CLASS. TOBACCO IS AN AGRICULTURAL PRODUCT. AS SUCH, IT IS IMPORTANT TO THOSE WHO RAISE IT AS COTTON IS TO THE PLANTER. THE COTTON PLANTER FINDS A MARKET FOR HIS STAPLE AT EVERY CROSS-ROADS. THE TOBACCO-GROWER, HOWEVER, RAISES A GIVEN AMOUNT, MUST DISPOSE OF HIS CROP TO A LICENSED DEALER. WE ARE OPPOSED TO THE TOBACCO-COX, BECAUSE IT IS A TAX ON AN AGRICULTURAL PRODUCT.

AS SUCH, IT IS A TEMPTATION TO IGNORANT MOONSHINERS, AND BECAUSE IT GIVES A LOT OF DEPUTY MARSHALS AN EXCUSE FOR INSULTING INNOCENT WOMEN AND CHILDREN AND IMPOSING ON INNOCENT MEN. IN FINE, WE ARE OPPOSED TO THE INFAMOUS REVENGE LAWS BECAUSE THEY ARE UNNECESSARY AND UNAMERICAN, BECAUSE THEY ARE WAR MEASURES; AND BECAUSE THE REVENGE IS NOT NEEDED BY THE GOVERNMENT.

IF OUR CORRESPONDENT WILL MAKE UP A LIST OF ALL THE ARTICLES USED BY POOR PEOPLE ON WHICH THEY PAY AN IMPORT TAX, HE WILL FIND THAT IT AMOUNTS TO VERY LITTLE. THE CONSTITUTION MAINTAINS THAT, UNLESS THE SOUTHERN FARMER CAN HAVE THE BENEFIT OF HOME MARKETS, HE CANNOT DIVERSIFY HIS CROPS, AND, UNLESS HE DIVERSIFIES HIS CROPS, HE CAN MAKE NO MONEY, NOT EVEN IF THE GOVERNMENT SHOULD SUPPLY HIM WITH CLOTHES AND TOOLS. HE CANNOT SECURE HOME MARKETS BY MEANS OF FREE TRADE, FOR THE RESULT OF SUCH A POLICY WOULD NOT ONLY DESTROY AMERICAN INDUSTRIES, BUT WOULD PUT THE SOUTH WHERE IT WAS IN 1870. THE REVENUE OF THE GOVERNMENT SHOULD BE RAISED FROM TAXES. JUST NOW THEY ARE MAINLY RAISED BY MEANS OF THE DIRECT TAXES COLLECTED UNDER THE REV-ENUE LAW.

SOUTHERN DEMOCRATIC CONGRESSMEN, IF THEY HAD RECEIVED FRESH ILLUMINATION IN THE CASE OF STATE TREASURER VINCENT, OF ALABAMA, WHEN ELECTED TO THAT OFFICE HE WAS A HAUL FELLOW, WELL MET. FROM HANDLING HUNDREDS OF THOUSANDS OF DOLLARS, HE GREW TO THINK THAT HE WAS RICH, AND SPENT DIAMONDS, DRANK FINE WINES, TOOK DINNER, AND BRAVELY STOOD BY THE LOSING CARD AT THE TABLE. WHEN THE CRASH CAME, IT FOUND VINCENT RUINED AND BESIEGED. HIS ESCAPE WAS THE SENSATION OF THE STATE.

THE STORY TOLD BY HIMSELF OF HIS WANDERINGS AND HIS HARDSHIPS IS PITIFUL.

THE TROUBLE MAY COME, HOWEVER, DURING THE LATTER PART OF THE MONTH. THIS WAS THE CASE LAST YEAR. DURING THE CLOSING TWELVE DAYS OF LAST MARCH WE HAD SEVERE THUNDERSTORMS IN CANADA, A HEAVY SNOW STORM AT ST. PAUL, A TERRIFIC ELECTRIC STORM IN ILLINOIS, A SEVERE SNOW STORM ON THE ATLANTIC COAST; A SNOW

STORM IN IOWA, CYCLONES IN INDIANA AND ALABAMA, DISASTEROUS RAIN STORMS AND FLOODS IN TENNESSEE, GEORGIA, ALABAMA, KENTUCKY AND MISSISSIPPI, BESIDES OTHER LIGHT SNOWS TOO NUMEROUS TO MENTION.

UP TO THIS TIME MARCH HAS CLOSELY TRACKED THE RECORD OF LAST YEAR. IT MAY RUN THE PARALLEL THROUGH TO THE END.

A COMPROMISE WAS EFFECTED AND THERE WAS A NEW ISSUE OF BONDS AT FIFTY CENTS ON THE DOLLAR. WHEN THE INTEREST FELL DUE THE COUNTY AGAIN REFUSED TO PAY. A JUDGMENT WAS SECURED AND THEN VARIOUS TACTICS WERE RESORTED TO FOR THE PURPOSE OF OUTWITTING THE HOLDERS OF THE BONDS.

THE WOMEN, ACCORDING TO THE USUAL CUSTOM, ARE SEDDON WEDDED BY ECCLSIASTICAL CEREMONY. MATRIMONY IS TOO DEARLY PERFORMED THROUGH THE INSTRUMENTS OF THE STATE, AND THE PROHIBITION DEMANDED BY THE "RED TAPE" OF THE CHURCH BEFORE EXPENDING IS HORRIBLE. VINCENT CAUGHT.

ALABAMA'S DEFAULTING TREASURER IN JAIL.

He Falls Under the Eye of a Town Deputy Sheriff and is Presently Nabbed. The Wandering of a Thrilling Story of His Wandering Up and Down.

MONTGOMERY, Ala., March 15.—[Special.] Montgomery was startled this morning by the unexpected arrival of Ike Vincent, Alabama's noted defaulting treasurer, in custody of Mr. E. C. Ray. The prisoner was taken to the county jail and given a cell, and in a few moments the news spread like wildfire over the city, and the jail was surrounded by an eager throng of people, eager to get a look at the defaulter and prisoner. The sheriff refused to admit any persons except intimate acquaintances of the prisoner and the reporters.

HOW THE CAPTURE WAS EFFECTED.

Vincent was captured at Big Sandy, Wood county, Texas, Sunday morning, by Mr. Ray, who is a deputy sheriff. Ray told the story of the capture to your correspondent, as follows:

"I was raised in Randolph county, Ala., and knew Vincent in this state several years of my boyhood and early manhood. A few weeks ago I was at the depot at Big Sandy, and saw Vincent come in on a train from Mexico, and recognized him at once, but I had no paper and no authority to arrest him. I learned that he had relatives near Big Sandy, and had come over to visit them. I said nothing, but telephoned Governor Seay, of Alabama, found that the reward was still outstanding, and got authority to make the arrest, and quietly waited for an opportunity. I watched the trains every day, and went through them. Sunday morning, when the train came in from Mexico, I was at the depot, and as I went to get on the train, Vincent stopped off.

FACE TO FACE.

"I faced him, told him he was my prisoner and ordered him to go. He thought he ought to be arrested, so I pointed a gun at him and said he had no money. His thoughts were that I meant to bring him to Alabama, and would have to put him in jail until I could get a requisition. He begged me not to put him in iron, and he would come along quietly without the formality. I was not money, and I purchased tickets for two and we started for Montgomery less than half an hour after the arrest. On the trip he would not talk, except when

ASKED FOR FOOD AND WATER.

"He fairly broke down when he found himself a prisoner, and wept freely at intervals on the trip. The arrest was accidental, and not the result of any detective."

VINCENT'S CRIME.

Ike A. Vincent, as state treasurer, was serving his third term in office when he skinned the town, January 20th, 1883. The legislature was in session at the time, and an examination of his books by a committee of that body, revealed the fact that he was short in his accounts about \$213,000. This revelation spread consternation among his friends, who were numerous and influential, and carried dismay to the soul of the said legislator, who thought the state would go into bankruptcy by reason of this default. A few speculators made an assault upon the credit of the state, and attempted to beat down the bonds of Alabama in the New York market. They succeeded in depressing these securities the first day the default was announced, until they quickly recovered under the influence of strong orders, and the state easily passed the panic and promptly met all their obligations. The information which followed showed that Vincent had dealt heavily in cotton futures and lost money, thousands of dollars in such speculations, being generally successful in finding the wrong side of the market. He lived high, keeping up an expensive house, frequented the clubs, had fine diamonds and silverware, and was also fond of travel.

THE SEDUCTIVE GAME OF DRAW POKER.

Two Negroes Assault a Woodway Keeper—A Negro and His Axe.

George Morris, a negro man who runs a wood yard, Fair and Frazer streets, was knocked down and severely injured by two negro men whom he detected stealing wool from his yard.

Soon after dark, while Morris was sitting in his office counting his cash, he heard a noise in his yard. On looking out of his office door he stepped out into the yard asking, "Who is dat?"

"There was no response to the remark, and Morris was greatly surprised. In the rear of the yard he encountered two negro boys both with their arm full of wool. The instant the boys saw that they were discovered, one of them struck Morris in the face. As he fell, he was struck again by a stick and was knocked senseless. Before Morris recovered, the two boys escaped. Morris gave the alarm and notified McFee and Holland responded. They made a careful investigation, and secured a search warrant to enter the home of Morris, who was seriously hurt. His face was badly marked by the kick.

NOT A RAG MAN.

Henry Davis, the colored man who was arrested several days ago for breaking and entering a shop and striking terror to the hearts of the fourth ward, was discharged by the recorder. Henry says he is not a bad man and that he tries to respect and obey the laws.

DRILLINES TO TALK FURTHER.

Vincent looks somewhat steady and despondent, but very little older than when he left Atlanta. His beard has grown gray, but his hair is still black. He declines to talk about his past and prospects for the future. Thirty-two indictments hang over him. Mr. Ray got a receipt from the sheriff for the delivery of the prisoner, and received the reward of five thousand dollars. Colonel J. M. Falkner and Captain Walter L. Bragg have been employed to defend Vincent. This afternoon Probate Judge Randolph sent a comfortable cot to the jail for the prisoner to sleep on, and Vincent broke down and wept like a child.

The Sixth Georgia Battalion Election—Accident to a Lady.

COLUMBUS, Ga., March 15.—[Special.]—The election ordered by the governor for a lieutenant colonel of the Sixth Georgia battalion took place tonight and resulted in the selection of Captain J. J. Bull, of the Southern Rifles, of Talboton. There was no opposition to him here.

The festival which began here tonight for the benefit of the Young Men's Christian association is the biggest thing of the kind ever given in Columbus. There are over 300 ladies on the different committees. The festival will continue one week.

The subscription to the Columbus Southern, at this city, has reached \$40,000. It is thought that the full amount will be obtained by to-morrow evening.

Yesterday Conductor John B. Glover was sworn in and duly qualified to act as mail agent on the Georgia Midland railroad in connection with his duties as conductor of the passenger and mail train on that road.

Yesterday afternoon a serious, and almost fatal accident, occurred near Lafayette, Ala. Miss Lula Lee Adams, a most charming and accomplished young lady of the neighborhood, was riding in a buggy with her brother when the horses they were driving became frightened at a passing train and ran away. The buggy was turned over and the occupants were thrown out. The young man was not much hurt, but the young girl sustained serious injury. She was brought to this city last night, and is now at the residence of her brother, on Second avenue where she is being attended by Dr. T. S. Mitchell.

KNIGHTS OF HONOR.

First Annual Entertainment of Gate City Lodge—An Excellent Programme.

The first annual entertainment of the Gate City Lodge Knights of Honor was a success. The attendance was not large, only the parquette of DeGrove's opera house being filled. The entertainment was certainly deserving of a better patronage.

The exercises were opened by an address from Judge James Gray, president of the society, in which the speaker gave a careful and thorough sketch of the order and its objects. His remarks were thoroughly appreciated by the Knights and the audience.

In the church of the Immaculate Conception there will be masses every half hour from six a.m. until 1 p.m., when high mass will be said. In the evening at 7:30 Father Kelly will deliver an address upon St. Patrick and the result of his work.

NINE CAPS FOR THE FIRE DEPARTMENT.—Fire Chief Jeyner has entered an order for the new caps to be worn by members of the department. At the last meeting of the fire commissioners it was decided to leave to the men themselves the choice of caps. The cap selected is a pretty one, made of the same material as the helmet, the same one now worn by the Chicago department. It is so constructed that it cannot be knocked out of shape, no matter how often it is soaked with water. Each cap will be marked with the letters A. F. D. and the number of the company to which the wearer belongs.

MRS. ROBERTS' SISTER DEAD.—Captain L. M. Roberts, the real estate agent, yesterday received a telegram from the Hon. E. C. McFee, of Cumming, Forsyth county, informing him of the death of Mrs. F. A. Patterson. Mrs. Patterson was a daughter of Mr. McFee and a sister of Mrs. E. M. Roberts. She died at the age of 75 years, having been ill for some time. Her remains will be brought to Atlanta on Friday, April 1, and will be interred in the cemetery of the Immaculate Conception. Captain Roberts will leave this morning to attend the funeral which takes place tomorrow afternoon at 3 o'clock.

MR. KISER VINDICATED.—Yesterday's CONSTITUTION contained an account of the arrest of Mr. Matt Kiser, at the instance of Mrs. Jessie Cohen, who lives on Bell street, near Wheat. It was charged that Mr. Kiser had been boisterous and had forced his way into the house. The case was tried in police court yesterday, and Mr. Kiser was completely vindicated, and the case was dismissed.

Mr. Kiser's arrest was a great surprise to him. He says he did not insult Mrs. Cohen, that she did not draw a pistol on him, and that he did not lock up his way into the house. He was not locked up when arrested, but was merely searched with a copy of the charge.

NEW RAIL CARS.—The Central railroad management had treated the people residing along the line from Savannah to Atlanta to a genuine surprise. Every since the road was built, the passenger trains have all been made up of coaches painted a dead lead color. On Wednesday, a train consisting of a train of five coaches painted a dark red—the same color as that used by the Pennsylvania Central railroad company. Persons along the line of road did not recognize the trains, and many still refuse to believe that the "Central train has passed." The shops in Savannah are now full of coaches upon which painters are working; and in a short time the Central road will have no more dull lead colored cars.

A SUDDEN DEATH.—C. H. Bennett, an aged white man, died suddenly yesterday afternoon at his son's home on Cooper street. Mr. Bennett was sixty-five years of age, and has been quite feeble for some time. Early yesterday morning he informed his son, who works in the Central road yards, that he felt better than usual, and walked about the yard for some time. Later in the day he laid down for a nap and awoke about noon with severe pains in his head. He suffered so much that a physician was called in, but death ensued before anything could be done. The physician had been attending Mr. Bennett and gave a burial certificate that death was caused by congestion of the brain.

ORANGE BLOSSOMS.—Miss Sallie Robinson was unit in marriage yesterday afternoon to Mr. T. C. Taylor. The ceremony was performed at the house of the bride's parents on Farm street, the Rev. Mr. Lee officiating. A large number of friends were present after the ceremony passed a pleasant hour around the dinner table. Later in the day the bride and groom were driven to the union passenger depot and left on the Richmond and Danville for their future home in Richmond, Va. Mr. Taylor is engaged in the clothing business in Richmond, and takes to his home in the old dominion one of Atlanta's prettiest and most popular young ladies.

THE CITY WINS.—In 1881, a woman by the name of Matilda Dorsey fell into an excavation by the side of a sidewalk near the corner of Decatur and Fort streets. She brought suit against the city for the injury and recovered a verdict. This citizen brought suit against John F. Faith to recover from him the amount of the judgment obtained by Matilda Dorsey from the city, and the amount of the costs, it being alleged that the hole which caused the injury was dug by Faith for the purpose of lighting a basement owned by him. At that time he was therefore responsible. The city, however, a judgment of about \$150. Faith moved for a new trial, which was refused, and he carried the case to the supreme court, where the judgment was on, yesterday, affirmed.

THE GERMANIA LOAN AND BANKING COMPANY.—No one can have failed to notice up Atlanta than her own and building associations. No investments have proved more profitable than stock in these associations. The Germania has been for years the most prosperous and popular of these associations. There has been constant development in the plan of these associations until now they are perfect.

The Germania Loan and Banking Association.—No one can have failed to notice up Atlanta than her own and building associations. No investments have proved more profitable than stock in these associations. The Germania has been for years the most prosperous and popular of these associations. There has been constant development in the plan of these associations until now they are perfect. The Germania Loan and Banking Association is the outcome of long experience and study, and is now organized in such a way that better results than has ever yet been achieved. It is proposed to open a series with 1,000 shares which will pay \$2.50 a month for forty months. Of the proposed 1,000 shares \$900 have been subscribed. Among the main stockholders are Mr. Jacob Haas, Dr. J. W. Franklin, Mr. C. A. Ogle, Mr. Carey, Mr. Hemphill and others. The remaining stock should be taken at once. It will prove a admirable investment, and will continue in its good work one of the most helpful associations in Atlanta's history.

A SCHUMANN NIGHT.

THE GREAT COMPOSER HONORED BY ATLANTA.

A Brilliant and Successful Concert Devoted Exclusively to Schumann's Works—The Great Russian Pianist, Constantine Sternberg, the Lion of the Occasion.

Robert Schumann was glorified last night, and in illustrating the marvelous creations of the great master, Constantine Sternberg brought glory upon himself.

The third of the series of drawing room concerts, under Mr. Frank's direction, was given in the hallways of the Kimball house last night. It was eclipsed either of its predecessors. The audience was large, fashionable and keenly appreciative. Rarely has such an audience attended a concert in Atlanta. The evening's entertainment consisted exclusively of works of Robert Schumann.

The following was the programme: Quintet for piano two violins, Violas and Violoncello; Scherzo; in memory of my dear mother; Scherzo; Allegro non troppo (Fuga); Song; a. Devotion; b. Springtime.

Andante Variations, for two pianos.

Songs: Ich grüne nicht.

Piano solo: Romance in F sharp.

b. Soaring.

After a thirty minutes interval, the programme was continued with selections by Leider Stahl, with an explanatory poem recited by Miss Wilhelma. The parts were sustained by the following singers:

Soprano: Simon Werner, contralto,

Mezzo: Mr. Alex. Basson, and basso,

Mr. Sternberg, tenor.

Andante Variations, for two pianos.

Song: Ich grüne nicht.

Piano solo: Romance in F sharp.

b. Soaring.

After having heard the Leider Stahl with hearing which would appear without it. Altogether since hearing this collection of Schumann's works we realize that what a votive is in our acquaintance with this master.

In the circuit court the jury in the cases against William Griffin and Joseph Price, both of Pickens county, charged with violation of the revenue laws, returned verdicts of acquittal.

Five witnesses for the defense in pending cases failed to appear, their reason, as given, being that they had no money with which to pay their transportation. Attachments were released for them.

The civil business of the circuit court consisted of two equity cases. Decrees were filed for complainants in the case of Rhoda M. Belamy vs. D. B. Ladd and Lucinda E. Ladd, and also in the case of Frederick Tower vs. D. B. Ladd and Lucinda E. Ladd.

A PISTOL SHOT

AND A FLEEING NEGRO CREATE
QUIET AN EXCITEMENT.

Patrolman Morgan Is Requested to Arrest a Negro—
He Shoots to Run and is Pursued. The Officer
Fires and the Negro, With Knife in Hand,
Wheels Around For a Fight.

A fleeing negro, a pursuing officer and a pistol
shot formed a moving tableau on the old
exposition platform, beside the National hotel,
yesterday afternoon.

The tableau was witnessed by a large crowd.

About three o'clock Patrolman Con. Mecham,
who was on duty near the corner of Peachtree
and Marietta streets, was approached by a
needy dressed stranger, who remarked:

"There are two negro men standing down
near the railroad I would like to have arrested."

"For what?" asked the patrolman.

"I am a contractor in Chattanooga, and the
men were taken up there at my expense to work
for me. They didn't go to work, and came away
without paying me back the money used by me in
taking them up. If you will arrest them I will swear out the warrants."

The patrolman accompanied the stranger
down Peachtree until he reached the railroad.
There he pointed out to the patrolman two negro
men. The patrolman went up to the two
men, and laying a hand upon each, remarked:

"I will let you go to police headquarters
with me."

Both darkies looked at the patrolman a second
and then bounded away. One moved down
Wall street at the top of his speed, while the
other sprang across Peachtree and darted down
the old exposition platform. For a second the officer stood still, as though
decided which one to follow. Then with a leap
he clapped his hands and started after the
platform after the fugitive. The officer
was a swift runner, but the negro soon
showed his superiority. The officer quickly
realized that the negro would escape, and with a view to frightening him into a surre-
nder he drew his pistol. Then calling upon
the negro to halt, he pointed the muzzle toward
the ground and fired. The report rang out
and was heard quite distinctly by the negro,
who every second stopped still, wheeled around
and raising a knife high above his
head started toward the officer. The negro
was much larger than the officer and the long
knife blade in his hand gave him a formidable,
blood-thirsty appearance. The patrolman
felt certain that the darky intended to assault
him, and presenting his pistol he said:

"I won't do it," answered the negro, advanc-
ing.

"Move another step there and I'll blow
the top of your head off," remarked the patrolman
moving one foot forward.

The negro halted a second, looked the officer
in the eye, and then dashing the knife to the
ground he held up both hands. Patrolman
Mecham advanced, picked up the knife,
and taking it from the negro, handed it to the
officer, who police headquarters, where he was
locked up. At police headquarters the negro
gave his name as Henry Wilson. He claimed
he was a Atlanta negro. After Wilson was
locked up, the man who caused his arrest failed
to appear and nothing has been seen of him
since.

Wilson is a large, black negro. He is powerfully
built and could handle two ordinary
men. When asked why he had been arrested,
he said he was.

"That man, Stanzen, hired me to go to Chat-
tauga to work. He promised to give me one
dollar and twenty-five cents a day, and when I
got there he wouldn't pay but one dollar. I
wouldn't go to work and came home."

THEY WANT AN INCREASE.

The Jour-Tailors Go Out on a Strike Be-
cause They Want More Money.

Quite a number of Atlanta's jour-tailors un-
threaded the needles, straightened out their
lives, cooled their gosses and went on a strike
yesterday.

In two houses, however, were affected by
the strike and the trouble was not a lone one.

The two houses were Messrs. J. A. Anderson
& Co., merchant tailors and ready made cloth-
ing dealers, at 41 Whitehall street, and Kenny
& Jones, merchant tailors, at 13 Whitehall
street. Early yesterday morning delegations
from the men employed in each of the houses,
visited the managers and notified them that
they wanted an increase in prices for work.
Anderson & Jones, and the men resumed
work.

The delegation that called upon Messrs. An-
derson & Co., however, was not so successful.

The manager of the house heard the men re-
cite their grievances and declined to accede to
the demand.

The delegation returned to the shop as soon as
the answer had been received, and again
met the managers and notified them that they
wanted an increase in prices for work.
